Abbazia di San Galgano

Strada Comunale di S. Galgano, 53012 Chiusdino SI, Italy

We're holding a **small ceremony** at the breathtaking **San Galgano Abbey** in Chiusdino, Tuscany — a roofless 13th-century Gothic cathedral surrounded by rolling hills and cypress trees. Guests will spend the weekend at **The Farmhouse at Terre di San Galgano**, a 3-minute walk from the Abbey, where all festivities will be held.

Where to Stay

We are delighted to be **covering accommodations for all guests at The Farmhouse on Friday and Saturday nights** of the wedding weekend, including breakfast on Saturday and Sunday mornings.

If you'd like to extend your stay through Sunday evening, **please indicate this in your RSVP** — we'll share room options and pricing by email based on your interest.

Getting There

The closest airports are **Florence (FLR)** and **Rome (FCO)**. We recommend booking flights once October 2026 schedules are available.

From either airport, take a train to **Siena** via Trenitalia — roughly 1.5 hours from Florence, or 3–4 hours from Rome, usually with one transfer.

We suggest buying tickets on arrival in case of flight delays.

Need help with train times? Share your flight details via our travel form (forms.gle/oPDQTg5WWV8URcur9) and we'll gladly help coordinate.

Shuttle to San Galgano

A shuttle will depart from **Siena train station** at **2:00 PM** on **Friday, October 9**. The exact pickup location will be shared closer to the date.

A step-by-step airport-to-train-station guide is on our website.

Things to Do

A few of our favorites, right around the abbey.

Montesiepi Chapel & the Sword in the Stone

Just north of the abbey, a short walk up the hill, is Montesiepi Chapel — home to the famous "sword in the stone." Nearby you'll find a wine bar with local wine and snacks. Definitely worth checking out.

Trails & Hiking

There are several miles of trails around the grounds. A roughly 3-mile hike to the neighboring town of **Monticiano** starts behind the abbey — follow the trail down to the bridge, and hiking signs lead the rest of the way.

We hope you'll join us

Our wedding ceremony will take place in Tuscany, followed by a larger celebration in Chicago. While we'd love to have everyone in Italy, the ceremony is an intimate gathering reserved only for those whose names appear on the physical save-the-date card.

If this seems different from the way your envelope is addressed, please know that it reflects the guest list for our Chicago reception.

Please RSVP before May 31, 2026.

With love, Tea & Forrest
